

Kathleen Whyte

This summer will be my inaugural as the new Director of Ridley. I am looking forward to a fun and exciting combination of ESL learning, sports and art activities.

I have had a wonderful camping career for over 40 years. I have directed camps in Ontario, British Columbia and Nova Scotia. I have directed residential, mountain climbing, horseback riding, white water rafting, wilderness and International camps. I have worked extensively with people with disabilities and have been the guest speaker at their Provincial conference on "Outcomes". I have also worked for the Municipal Recreation Departments in both Ontario and British Columbia.

I love camping, enjoy sports, swimming, music and the arts.

I have two wonderful grown children. My son Ryan teaches English in South Korea and my daughter Teresa is a Dental Assistant.

I have traveled to many parts of the world and will enjoy welcoming our students and helping them learn and celebrate Canada while they are staying with us.

Our staff brings varied professional backgrounds to facilitate your experience at Ridley. Many wonderful excursions are planned for you to discover St. Catharines, Toronto and the Niagara region. The world famous Niagara Falls is just a short drive from Ridley and is a must see for all.

Director's Message:

"ENTHUSIASM breeds ENTHUSIASM!"

It has always been my philosophy for a great summer! So with all the exciting plans underway for your arrival, we can assure you a FUN and EDUCATIONAL experience at Ridley. As you meet new friends, make life long memories, increase your use of English and travel to Canada's largest city, our wonderful teachers and Counselors will help and support you on your journey.

Come and join the ADVENTURE!"
