## **Shira Wolch - CISS at Trinity-Junior**

Hello! My name is Shira Wolch and I am so very excited to be a new director of CISS Trinity Junior. I look forward to working with students from all over the globe and enjoying the magnificent Toronto setting together. I come with a passion for education. I am currently completing my Masters in Teaching and working in schools across Toronto. I am also an avid traveler. Throughout my travels, I have worked in educational settings in Argentina, Cambodia, Vietnam, and Panama. These experiences have taught me the incredible strengths of working with international students. There is so much to learn from just talking and spending time with one another.

Growing up as a director in the Canadian camping system, I have come to love all the incredible learning opportunities that are possible only at camp and only during the summer time. The friendships made at camp are the best in the world! In addition to my passion for education and camp, I LOVE to dance! Dance is a language that people can communicate with anywhere in the world. There is nothing better than that.

I know that Trinity Junior is going to be the best summer ever! I cannot wait to meet all of the new faces and experience a fabulous summer together.

### ***Director's Message:***

*"I hope you are as excited as I am for the summer to begin. We come in as strangers from all over the world, but we leave as one happy family. This summer is going to be one that you will never forget. Trinity Junior is an experience like no other. We're going to laugh, learn, and enjoy the summer together. Let the countdown begin..."*
